

Winter Wonderland Lions & Tigers

At Winter Wonderland, Lions and Tigers will have the chance to work on their rank adventures while enjoying a variety of fun, hands-on activities. Each den will rotate through scheduled stations, giving Scouts the opportunity to explore different skills and experiences throughout the event. From nature activities and crafts to games, outdoor skills, and themed challenges, every station is designed to help Scouts complete adventures while having a great time.

Activities are designed for family participation, so parents and adult partners can join in, lend a hand, and share the experience. Scouts will build new skills, gain confidence, and create lasting memories with their families and friends. Winter Wonderland provides the perfect environment for Lions and Tigers to learn, explore, and advance in a fun, supportive setting.

Lions: Let's Camp

Lions will take their first steps into the world of camping with fun, age-appropriate outdoor adventures! Scouts will learn what makes camping special, explore nature, and practice simple skills that build confidence and curiosity. With families by their side, Lions will discover that camping is not only about tents and trails—it's about teamwork, discovery, and making memories together at Winter Wonderland.

Lions: Champions for Nature

Our youngest Scouts will become Champions for Nature as they explore the outdoors through hands-on adventures and teamwork! Lions will discover the wonders of the natural world, learn basic outdoor skills, and enjoy activities designed just for them. With plenty of fun, creativity, and family participation, this experience helps Lions build confidence, curiosity, and a love for the great outdoors.

Tigers: Let's Camp

Tigers will step into the great outdoors as they explore the excitement of camping! Scouts will learn how to prepare for a campout, practice simple outdoor skills, and discover how to be safe and confident adventurers. With hands-on fun and plenty of family involvement, Tigers will gain a love for camping while building teamwork and independence.

Tigers: Fish On!

Grab your poles and get ready to cast! Tigers will dive into the **Fish On!** adventure as they learn the basics of fishing, from safety and respect for nature to how to identify different kinds of fish. This experience blends outdoor learning with real hands-on fun—perfect for curious Tigers who are ready to explore, discover, and reel in new skills!
